About Tashkent International School

Tashkent International School (TIS), established in 1994, is a preschool through grade 12 international English language school serving international and local students from more than 40 countries. TIS is accredited by both the New England Association of Schools and Colleges (www.neasc.org) and the Council of International Schools (www.cois.org). The courses, curriculum and programs at Tashkent International School are recognized in Europe, North America and much of the rest of the world.

In 2006, TIS launched the International Baccalaureate Diploma and Primary Years programmes (www.ibo.org). Today TIS offers all three IB programmes, including the Middle Years Programme. The International Baccalaureate Organization, headquartered in Geneva, is recognized as the world's leading international curriculum. The IB Diploma is accepted in 150 nations including the European Union, the United States and Canada as a university entrance examination. TIS is the only school in Uzbekistan authorized to offer the IB programmes.

TIS recruits licensed, experienced international educators from all over the world. TIS faculty are recruited from the United Kingdom, the United States, Canada, New Zealand, South Africa, Australia, India, Latvia, Russia, Mexico and Uzbekistan. Approximately 75 percent of the subject teachers are international with 25 percent locally recruited.

Tashkent International School has an approximate enrollment of 500 students representing countries such as Uzbekistan, Korea, Germany, the United States, India, Israel, Pakistan, the UAE, and many others. TIS graduates are presently attending Brown University, Pomona College, Columbia University, University of Pennsylvania, and many other universities in North America and Europe.

The scholarship program was established in 1999 and has continued to select excellent students from the community in Uzbekistan since its inception. This year, TIS will offer **up to three 100 percent tuition-free scholarships** to Uzbek nationals from local schools **for admission to Grade 10 in August 2015** only. The award of this scholarship is based on academic excellence, financial need, satisfactory ability in written and spoken English, attitude and personality, extracurricular activities and interests, and potential mutual benefit to the school and to the student.

TIS offers its students:

- The opportunity to earn an International Baccalaureate Diploma;
- Possible acceptance to prestigious North American and European universities;
- An excellent technological infrastructure;
- Well-equipped science labs;
- A modern, spacious campus;
- All subjects taught in English (except foreign language courses);
- Participation in international basketball and football tournaments;
- Local and international teaching staff;
- Classes with no more than 22 students; and
- Exposure to a diverse international community.

(Please note that Tashkent International School is not an English-training school)

Application Terms, Conditions and Procedures

Full-tuition or partial-tuition scholarships are available for students who:

- Were born between September 1, 1998 and August 31, 2000 and will complete the equivalent of grade 9 or the first year of local college by June 2015;
- would be financially unable to attend TIS if the scholarship was not available;
- earn 4s and 5s in their local schools;
- are proficient in English and possess strong reading, writing and analysis skills;
- are prepared to study at TIS until graduation;
- will graduate before the age of 20; and
- successfully complete the screening and interviewing processes.
