Tashkent became the capital of independent Uzbekistan in 1991 and has a population of around 2.5 million people. Uzbekistan is on the New York Times "52 Places to Visit in 2019" and Lonely Planet number 1 place to visit. The country is changing rapidly, welcoming international trade and tourism. Within a couple of hours you can be in the mountains and lakes or visiting UNESCO World Heritage sites such as Samarkand and Bukhara. Tashkent is an ideal location from which to explore the delights of other Central Asian countries.

Tashkent is a very attractive and vibrant city. The roots of the rich Uzbek culture shine through the city's architecture, museums and metro stations. Uzbek people are very friendly. The best way to get a full taste of the culture in Tashkent is to visit the local markets, which are social gathering places where every Tashkent resident is bound to visit. Nightlife in Tashkent is evolving at an incredible pace. There are a growing number of cafes, international restaurants as well as the traditional Uzbek cuisine which is unique and delicious.

With blue skies, many parks and four seasons, Tashkent is a safe and welcoming city. Tashkent International School (TIS) is situated only minutes away from the city center. The school is housed on a large campus with a park of old trees in the center. We are a very warm and professional family of diverse committed teachers and staff with a supportive and positive parent community.
