## Your Formal Steps to Join the TIS Community...

Before you start the process of completing the online application, we recommend you carefully review the information under [Admissions Process](#).

Applications to TIS need to be submitted via our online application system using a button below (**Only In English**). Most families will be new to TIS and choose, **New Family, New Application**.

- If you have already submitted a question via this process, please **use the same login** that you created, otherwise, you will create a login and password here.
- Please follow the directions for each field and enter data according to instructions to avoid any delay.
- You will submit this initial form below and further instructions will be emailed to you on how to complete.
- All applications will require supporting documentation (which we will guide you through).
- The system allows you to review the completeness of your application through the Checklist in your dashboard (when you reach this step, please bookmark it).
- You will have the opportunity to enter further student sibling applicants as well and all children will appear in your account when you login.
- There is a non-refundable application fee of \$100 USD, per applicant. Payment of the non-refundable application fee does not guarantee admission.

We will **ONLY** begin our review of the application once all the checklist items are completed.

Again, please select the button below that most applies to you.

**PLEASE COMPLETE YOUR APPLICATION USING A COMPUTER. TRY TO COMPLETE IN ONE SITTING.**

**DO NOT USE A MOBILE DEVICE OR TABLET/IPAD.**
