Co-Curricular Activities

Tashkent International School offers a wide range of co-curricular activities throughout the school year.

Our objective is to provide a diverse, engaging, challenging, enriching and balanced program that complements our academic programs and fosters within all students the importance of academic and holistic excellence. As always, students are encouraged to take a balanced approach when selecting their activities. Tashkent International School is a full member of Central and Eastern European Schools Association (CEESA) and Central Asian Federation of Athletics, Arts and Activities (CAFA) and our students have opportunities to participate in various athletics and arts festivals.

Activities at TIS are divided into three trimesters – Fall, Winter and Spring.

Some activities, such as Student Councils, various music programs and Model United Nations will run for the whole year, whilst other activities are only offered for a trimester or two.
