At TIS, we celebrate each student's unique learning journey. Our mission is to help every student reach their full potential. Our Student Support Team offers tailored assistance, whether in the classroom, in small groups, or one-on-one.

We follow a student-centered approach at TIS, putting each student's needs at the heart of our support and planning. Our Learning Support Team upholds the principles of a balanced education, rooted in the International Baccalaureate's model of inclusion that embraces diversity, student voice, and belonging. We actively challenge our students to explore their abilities and connect with their peers, reflecting academic excellence through our commitment to supporting and celebrating the diverse learning needs within our international community.

We look at the whole child when developing strategies and evidence-based practices to meet each student's unique needs. With high expectations and equally high support, we strive for personal excellence and aim to inspire success in our vibrant, diverse community.
